

Socialism and War

[Socialism and War_下载链接1](#)

著者:F. A. Hayek

出版者:Liberty Fund Inc

出版时间:2009-2-28

装帧:Paperback

isbn:9780865977433

In the essays in this volume Hayek contributed to economic knowledge in the context of socialism and war, while providing an intellectual defence of a free society. The connection between the two topics is illuminated through essays containing some of Hayek's contributions to the socialist-calculation debate, writings pertaining to war, and the cult of scientific economic planning from the late 1930s and 1940s.
