A support group you can hold in your hand, this loving and inspirational collection of intimate stories, by cancer patients and their loved ones, medical professionals, clergy and friends, is a must-read for anyone affected by cancer. Writers share all their experiences—from the diagnosis, to breaking the news to loved ones, to discussing the effect on home, school and work, from securing a medical team to living through an ever changing self-image, from the embarrassment of losing hair to discovering a new spirituality. A bonus book, a no-holds-barred memoir by cancer patient Elizabeth Bayer, is bound into this volume, after the full-length Chicken Soup for the Soul book.
