isbn:9781424145157

Finally, the emotionally abused member of a failing relationship has been heard. In You Know I Love You, the author walks with the agooda partner as they struggle with the actions and antics of their wandering abada partner. The authoras rendition of this gradually debilitating malaise, the aProgression of Despair, a chronicles the abada partneras seemingly unstoppable decline into the clutches of worldly pleasures. You will swell with reassurance as you read why you and your partner must possess each other, why you must nurture your jealousy, not cure it, and why your perceived insecurities are only those your partner has transferred to your unwilling countenance. Written by someone who has lived your misery, You Know I Love You is the first believable depiction of the journey into the horror of lies, secrets and cheating, the real helplessness and desolation of being set aside for something new.
