Against the seductive backdrop of Regency England, New York Times bestselling author Mary Balogh sweeps us into the sensual, enthralling world of four teachers at an elite academy for young ladies.

As headmistress of Miss Martin’s School for Girls in Bath, Claudia Martin long ago resigned herself to a life without love. Until Joseph, Marquess of Attingsborough, arrives unannounced and tempts her to toss away a lifetime of propriety for an affair that can only lead to ruin, embarking on a plan of seduction that leaves them both yearning for more. But Claudia knows she has no place in Joseph’s aristocratic world. And now that world is about to be rocked by scandal. . . . An arranged marriage, a secret that will shock the ton, and a man from Claudia’s past conspire to drive the lovers apart. But Joseph is determined to make Claudia his at any cost—even if that means breaking every rule for a love that is everything he has ever wanted. . . .
