How near is the apocalypse, as predicted in the book of Revelation? And is there any way we can escape this terrible time of destruction and death?

In this riveting book, Hal Lindsey, the father of modernday Bible prophecy, cracks the "Apocalypse Code" and reveals for the first time long-hidden messages about the fate

of the Earth and our future and what we can do about it!

According to Lindsey, all the signs for the apocalypse ,arc in place an increase in the frequency of wars and earthquakes, the deadly plague of AIDS, famines, changing global weather patterns, among many others.
