Carl Larsson is one of Sweden's best-loved artists. His stunning watercolours of his home and family from the end of the nineteenth century are acclaimed as one of the richest records of life at that time. The paintings in this book all depict the farm of Spadarvet in Sundborn, in west Sweden, which Carl Larsson bought in 1897. The accompanying text provides a fascinating insight into farm life, and into Carl's painting techniques. Today, over 60,000 tourists a year visit Sundborn to admire Larsson's home and work.
