Some dreams take a while before they come true. Best friends Hope and Laurie never made it to Hawaii during their college years. But when they're about to turn forty, the

islands still beckon, and off they go - with an unexpected stowaway on board (Hope happens to be seven months pregnant). A little pineapple, a little sunshine, and a surprising little surfing lesson give these two sisterchicks all their crazy hearts could hope for - and more - as they enter the next season of their lives with a splash and with a beautiful vision of what God has dreamed up for them.
