出版时间:1997-05-17

装帧:Paperback

isbn:9780393316254

In these early years, Elvis, with a few irrepressible hip gyrations, became a scandalous heartthrob, teen idol, and rebel who captured the devotion of millions of fans. The

introduction is by the legendary music critic Lester Bangs (1949-1982), whose essays in magazines like Rolling Stone, Cream, and the Village Voice mark him as one of the most influential pop critics of the seventies.
