评论

昨天没网，看完了！真是触目惊心啊，特别是一想到看到小朋友！  
家长真的要读读，然后采取一些力所能及的措施！  
另外多用天然的产品绝对没有坏处！

Interesting. Colloquial so it's not a hard read. 4 stars. After finishing, it's an okay book. I didn't think it was scientific enough. There were too much anecdotes.
