

Political Theorists in Context

[Political Theorists in Context 下载链接1](#)

著者:Stuart Isaacs

出版者:Routledge

出版时间:2004-02-01

装帧:Paperback

isbn:9780415201261

This text introduces students to the main thinkers in Western political thought and is

designed specifically for those studying the subject for the first time. It explains the historical, social, cultural and political context which influenced the development of political thought as well as discussing many of the classic texts themselves. The book also demonstrates the relevance of key political theorists to the core debates within contemporary political science. The text is enlivened throughout with pictures, case studies and suggestions for further reading.
