

# The Insanity of Samuel Beckett's Art

[The Insanity of Samuel Beckett's Art 下载链接1](#)

著者:Richard J. Stephenson

出版者:Paintbrush Press

出版时间:1998-03

装帧:Paperback

isbn:9781878406163

This book is a psychoanalytic study of all of Beckett's work.

The extraordinary story of twentieth century literature is that critics canonize Samuel Beckett's writings as works of genius when they are records of atrophy brought about by Beckett's mental illness.
