出版者:DK ADULT

出版时间:2008-06-30

装帧:Hardcover

isbn:9780756628949

In this superb expanded and updated volume, equestrian expert Elwyn Hartley Edwards traces the evolution of the horse, covering every major breed of horse and pony as well as the contribution the horse has made to civilization. The Visual Breed Guide portrays more than 150 of the world's major breeds of horse and pony photographed in specially commissioned full-figure portraits as well as hundreds of

action shots. The origin, history, and uses of each breed are explained, and each breed is brought to life by historical anecdotes and fascinating, little-known facts. Truly encyclopedic in scope, this is the essential reference for every horse lover.

This new edition has been updated to reflect the latest trends in international equestrian sports, such as dressage and horse trials, and also to reflect changes in breed specifications.
