A brand new title encapsulating one of China's most significant cities - Shanghai - a city that represents buzzing and booming modern China in all its glory. Well written, thoroughly researched and to the point, it gives a clear picture of what must be done and where, to get the most out of this progressive megacity.

Covering the Shanghai area as well as Putuoshan and the nearby canal towns, this guide provides you with all the facts, as well as those unusual places to go that will make for that extra-special and positively memorable trip.
