The latest in the wildly popular One Step at a Time series, AutoCAD 2006: One Step at a Time - Part II includes everything you'll need to know to wrap up your training with the

world's most popular design program. Our familiar three-column instructional approach (Tools - Command Sequence - Steps) is still unsurpassed in AutoCAD training programs. The author's friendly style and mastery of the material makes readers and students alike feel as though he's sitting at their elbow while they work. He turns AutoCAD into a fun learning experience The AutoCAD One Step at a Time series has served students and instructors since the 2000 release
