When nine-year-old Allie Finkle's parents announce that they are moving her and her brothers from their suburban split-level into an ancient Victorian in town, Allie's sure her life is over. She's not at all happy about having to give up her pretty pink wall-to-wall carpeting for creaky floorboards and creepy secret passageways-not to mention leaving her modern, state-of-the-art suburban school for a rundown, old-fashioned school just two blocks from her new house. With a room she's half-scared to go into, the burden of being "the new girl," and her old friends all a half-hour car ride away, how will Allie ever learn to fit in? Praise for Allie Finkle's Rules for Girls: Moving Day: "In Cabot's first foray into novels for kids who are still in single digits, her trademark frank humor makes for compulsive reading -- as always." -- Publishers Weekly, starred review "Meg Cabot is chick-lit royalty." -- Newsweek "Meg Cabot...crowns another winning heroine." -- Family Fun Magazine "Allie Finkle, a credible, intelligent, funny nine-year-old heroine whom readers and parents alike can embrace." -- Shelf Awareness
