Kelly Hoppen is an avatar of hip, high-end interior design, celebrated in the pages of *Architectural Digest*, *In Style*, and the *New York Times*. Her cool, modernist aesthetic is at once timeless and at the cutting-edge of style today and *KELLY HOPPEN HOME* offers readers a chance to learn from the world-renowned British designer's chic design philosophy. Giving a clear picture of her approach at every stage---from the

conception of an idea, through preparation and decision making, to implementing plans and achieving a reality---Kelly shares her insider secrets and reveals how to get the most from a living space.

Kelly's skill in understanding how a home works is illustrated in a portfolio of projects from the UK, United States, Israel, and Switzerland. Architectural plans and drawings, alongside stunning photographs of her latest work, help explain how to reconfigure a space by transforming ideas into workable schemes. Insightful text, practical tips, and information from expert consultants help explain how readers can become their own interior designer.
