Part love story, part murder mystery, set on the cusp of the Second World War, Russell Banks's sharp-witted and deeply engaging new novel raises dangerous questions about class, politics, art, love, and madness—and explores what happens when two powerful personalities, trapped at opposite ends of a social divide, begin to break the rules. Moving from the secluded beauty of the Adirondack wilderness to the skies above war-torn Spain and Fascist Germany, *The Reserve* is a clever, incisive, and passionately romantic novel of suspense that adds a new dimension to this acclaimed author's extraordinary repertoire.
