Smith & Hogan: Criminal Law is regarded as the leading doctrinal textbook on criminal

law in England and Wales and has been for over 40 years. The book owes its consistent popularity to its accessible style, depth of analysis and breadth of coverage. It is an invaluable study aid for undergraduates and an essential reference source for criminal law practitioners. The twelfth edition has been completely updated in order to include all legislative and case law developments. The chapter on fraud has been rewritten to take into account the Fraud Act 2006. Other key changes include incorporation of the Corporate Manslaughter and Homicide Act 2007, and recent Law Commission report findings. Web Updates The book is accompanied by free on-line annual case updates, organized by chapter.
