K.W. Jeter picks up the tale of Rick Deckard, the 'blade runner' created by Phillip K. Dick and popularized by Ridley Scott's cult classic film. Consistent with the sordid vision of 21st century Los Angeles crafted by Dick and Scott, Jeter creates a stylish piece of thrilling, futuristic suspense that finds Deckard not only in the role of hunter, but also hunted. Again, Deckard is on the trail of an replicant, not knowing that it may be the most elusive and dangerous android of all.

这是电影的续写小说,建议每个被Dick的原著吸引的人都不要看这本,会很失望
