出版时间:2000-11-01

装帧:Hardcover

isbn:9780787941710

The "twenty-something" years of young adulthood are increasingly recognized as critical but puzzling. Building on the foundation she established in her classic work, *The Critical Years*, Sharon Parks urges thoughtful adults to assume responsibility for providing strategic mentorship during this important decade in life. She reveals also, however, the ways young adults are influenced not only by individual mentors but also by mentoring environments. To read *Young Adulthood in a Changing World*, an excerpt from this book, [click here](#).
