Heroes come in all shapes and sizes

ANY DOCTOR WILL agree that people are not flat.

They are born round and stay that way their whole lives. But not Stanley Lambchop! He has been flat once before, after a bulletin board fell on him.

When his brother made him round again by blowing him up with a hose, Stanley thought he was through with flatness forever.

And then one ordinary morning, Stanley suddenly

goes flat again, and this time, the hose won't work.

Not even Dr. Dan's explanation can really help

Stanley understand why so many unusual things keep

happening to him. Still, there are things that a flat

boy can do that a round person can't. And maybe

this time, all it will take is one amazing event for

everything to finally make sense.
