著者:Ken Ellwood

出版者:Tempus

出版时间:2003-08-01

装帧:Paperback

isbn:9780752430584

This fascinating collection of over 200 archive images is accompanied by informative text and presents a memorable account of Skipton and its surrounding villages. Many

details of this area are examined, including schools, buildings and businesses, as well as local characters. Also included are striking aerial photographs of the Dales taken by the author over the last fifty years, while the final chapter pays special attention to the airmen from the villages around Skipton who lost their lives in the war.
