Bold and bright, this tactile board book features letters to name and objects to touch. Sing the alphabet song with this appealing, hands-on format! Introducing Little Scholastic, a developmental publishing program of interactive books created exclusively to give babies and toddlers a head start in learning. Every book features:

- * Interactive components
- * High color contrast
- * Rhyming, repetitive, or predictable text
- * Familiar subjects and surroundings
- * Simple concepts
- * Distinct leveling between the ages of 0-3 years
