装帧:Paperback

isbn:9780230020832

The ideal companion for any teacher interested in the use of technology in the language classroom, "Blended Learning" provides a practical overview of the technology currently available. It combines basic information for the technological

novice with sophisticated ideas for using technology in the classroom. Teachers are offered practical ideas and suggestions for ways to use technology to enhance and support students' learning. The authors also examine the implications of the use of technology for language teaching methodology in general.
