George William Russell (1867-1935) who wrote under the pseudonym AE was an Anglo-Irish supporter of the Nationalist movement in Ireland, a critic, poet, and painter. He was also a mystical writer, and centre of a group of followers of theosophy in Dublin, for many years. He worked many years for the Irish Agricultural Organization Society (IAOS), an agricultural co-operative movement founded by Horace Plunkett. When Plunkett needed an able organiser, W. B. Yeats suggested Russell, who became Assistant Secretary of the IAOS. Russell was editor from 1905-1923 of *The Irish Homestead*, the journal of the IAOS, and infused it with vitality that made it famous half the world over. He was also editor of *The Irish Statesman* from 1923 until 1930. Amongst his other works are *The Nuts of Knowledge: Lyrical Poems Old and New* (1903), *By Still Waters: Lyrical Poems Old and New* (1906), *Imaginations and Reveries* (1915), *AE in the Irish Theosophist* (1937) and *The National Being: Some Thoughts on an Irish Polity*.
