出版时间:2008-11-12

装帧:Hardcover

isbn:9780446197885

An encyclopedic attack on modern culture so hilariously bitter that it actually becomes uplifting. Based on two runaway UK bestsellers, this new American edition has been ingeniously adapted and features exclusive new material for US audiences by Brendan Hay, a former Daily Show headline producer and contributing writer to America: The Book.

If you hate chick lit, Che Guevara merchandise, pop Kabbalah, cosmetic-surgery-gone-wrong-as-tv-programming, DVDs with ads you can't skip, or any of a few hundred other insanely annoying modern things, then this book will finally lend credence to your frustrations.

Say NO to the awful ideas, terrible people, useless products, and infuriating doublespeak that increasingly dominates our lives. Never before has there been a book so completely full of shit.

Clearly, it isn't just you...
