

Aspects of Hamlet

ASPECTS OF *HAMLET*

EDITED BY KENNETH MUIR AND STANLEY WELLS

[Aspects of Hamlet_ 下载链接1](#)

著者:Kenneth Muir

出版者:Cambridge University Press

出版时间:1979-07-31

装帧:Paperback

isbn:9780521294003

Aspects of Hamlet brings together authoritative articles by distinguished Shakespeare scholars. In making their selection from the entire range of Shakespeare Survey volumes, Kenneth Muir and Stanley Wells have borne the interests of the general

reader in mind, as well as the needs of teachers and students. The plates, chosen from the Royal Shakespeare Company's files at the Shakespeare Centre, Stratford-upon-Avon, illustrate post-war productions of the play.
