作者介绍:

The www.iCUBED.us Anthology 2006-2009 is a collection of the best-of contributions first published on global news webzine, www.iCUBED.us, and written by over thirty contributors, most of them aged 13 to 21. The anthology provides thoughtful editorials, blogs in 9 categories and divided into MIND-BODY-SPIRIT, and an introduction to career and profiles featured on the website as well as a sampling of the many innovative contests that iCUBED.us hosts. In all the collection is witty, insightful and enlightening, a must-read for any thoughtful teen looking to explore the issues that impact the world around them, with an especially strong section reviewing books.
