Discover a land of roaring surf, towering rainforests and day after day of sunshine with The Rough Guide to East Coast Australia . Be inspired by the cosmopolitan cities, the countless wine regions, gorgeous Byron Bay , the Great Barrier Reef and all the fascinating, less-travelled places in between. With full-colour sections of Taking the Plunge, diving and surfing on the east coast and Ecotourism, the guide takes you way off the beaten track to discover the real Australia . Covering every region, from remote and unspoilt beaches where kangaroos hop along the shore, to alternative country towns with a character all their own, the guide also highlights unforgettable side-trips to the Torres Strait Islands and Uluru. Places to stay – the funkiest hostels, the glitziest resorts, the leafiest rainforest lodges – are covered in detail and with our hand-picked restaurant and nightlife recommendations you&ll always know where to find the action. Make the most of your time with The Rough Guide to East Coast Australia .

这是本旅游手册……有人会无聊到宅在家里读一本08年的旅游手册么？衷心的赞美自己一句：深井冰啊你。借此机会再提醒一下自己：1、买一个东西的理由是它真的有用，而不应该是它便宜；2、读书最大的成本是时间成本，而不是买书那两个钱。如果花了钱花了时间却没得到想要的东西……还能再惨一点么。
