出版时间:1991-10-1

装帧:Paperback

isbn:9780271028675

The Parmenides is arguably the pivotal text for understanding the Platonic corpus as a whole. Miller offers a new reading that takes as its key the closely constructed dramatic context and mimetic irony of the dialogue. "Miller's work is a splendid achievement--original, thorough, clear, deep and exciting. He blends literary sensitivity with analytical precision in a way that helps with just about everything in one of Plato's most obscure and difficult dialogues." ---Edward N. Lee, University of California, San Diego "Miller has much going for him. He has a deep understanding of Greek.... He is careful in following the arguments, and fresh and original in treating them.... We cannot do without Cornford and Allen; we now need Miller alongside them." ---John Ferguson, The Heythrop Journal "The Parmenides is one of the most obscure works in the history of Western thought. Yet this dialogue is of central importance in the development of Plato's theory of Forms, and we should be grateful to Miller for light in the darkness.... highly recommended." ---H.L. Shapiro, Choice ..".one can appreciate why Miller's book is a success; he offers an interpretation according to which the dialogue is a unified piece of work that marks a turning point in Plato's metaphysics. Miller's writing is lucid and straightforward.... There are sustained discussions of Cornford, Cherniss, Vlastos, Owen, Brumbaugh, Allen, and Sayre in the footnotes. There is little doubt that the book represents a significant contribution." ---Kenneth Seeskin, Philosophy and Literature "Miller's commentary is an impressive achievement, combining extensive scholarship with unusual sensitivity to Plato's nuances, both literary and discursive. Both for its imaginative interpretation of the larger issues, and its careful analysis of the details, it will be of great value to anyone with an interest in this bewildering dialogue." ---Kenneth Dorter, Canadian Philosophical Reviews Mitchell H. Miller, Jr. is Professor of Philosophy at Vassar College and author of The Philosopher in Plato's "Statesman" (Martinus Nijhoff, 1980).

作者介绍:

作者米勒，瓦萨学院哲学系教授，柏拉图研究专家，已出版《柏拉图<治邦者>中的哲人》、《灵魂的转向：柏拉图的〈帕墨尼德〉》等多部学术专著。

译者曹聪，女，毕业于中山大学哲学系，获哲学博士学位。现就职于扬州大学社会发展学院。译著有：《惧怕差异》、《灵魂的转向》、《古典政治理性主义的重生》（合译）等。另发表学术论文多篇。

评论

柏拉圖奇作《巴門尼德斯》篇的最佳解讀（是我所知的任何語文中最清楚且最有說服力者）。作者的解讀方向是新柏拉圖主義（Plotinus, Proclus, etc.）。
