Now in it' s eighth edition, the widely praised Penguin State of the World Atlas

remains a unique visual survey of current events and global trends. Completely revised and updated, this atlas presents the latest statistics on communications and information technology, international trade, globalization of work, aging and new health risks, food and water, energy resources and consumption, global warming and biodiversity, literacy, gender equality, wars and peacekeeping, and more. Fascinating, troubling, and surprising, this is one atlas no student of the world should be without.
