Summer's over, and Franklin can't wait to head back to school. With thirty stickers, children can help Franklin pack his backpack, find out what everyone is doing in Mr. Owl's classroom, and join his friends out on the playground. In addition to one glossy gatefold and two glossy single-page scenes for stickers, this book contains 16 pages of fun activities including a connect-the-dots, a recipe for Franklin's Frozen Fly Treats (made with chocolate chips, not real flies), a maze, a word search, and more!
