"Out of all the people in the world, why do I have to be the freak who went to school on the very first day of the year with a pair of PANTIES stuck by static cling to the leg of my pants?!!!" Seventh grade was supposed to be Alli's breakout year—only her big debut ends up being a big disaster. Then queen bee Rachel Delaney takes Alli under her wing, and Alli finds herself in the inner circle of seventh-grade cool. But the inner circle is nothing like Alli expected, and there's ugliness lurking behind the prettiest faces. Can Alli figure out where she fits in, or will she get caught up in the glamour of running with the in crowd?
