出版者:Transaction Publishers

出版时间:1983-1-1

装帧:Paperback

isbn:9780878559442

作者介绍:

Raymond Aron, French scholar, journalist, philosopher, sociologist, and historian, is internationally recognized as one of the great thinkers in the modern social sciences, bringing to contemporary history the insights of both philosophy and social science. This edition focuses on Aron's lifelong attempt to bridge the gap between knowledge and action and to understand the dialectical relationship between history and politics. It is an indispensable introduction to one of the most important thinkers of our century.
