This book moves beyond the basics of "pushing the buttons"; explaining the most efficient and effective ways of using Xpress Pro to tell the story. Readers develop a working knowledge of the application with lessons and tutorials that cover every essential method and technique. An excellent resource for students and professional

editors new to Xpress Pro, this book and DVD combo provides valuable hands-on practice with an extended example that demonstrates the edit of an entire sequence. Project media and plug-ins are provided on the companion DVD.
