Handsome, muscular Edward "Mitch" Mitchell is back in this steamy send-up of Agatha Christie's *Murder On The Orient Express*, travelling from Edinburgh to London for a reunion with his ex, "Boy" Morgan. All aboard the Flying Scotsman for a ride that's anything but smooth, as Mitch discovers his fellow travellers include Belgian power bottom Bertrand, sleazy starlet Daisy Athenasy and her butch publicist, Peter Dickinson. Add to the recipe a group of kilt-wearing soldiers, some very accommodating railway workers and a dead body tumbling out of the toilet, and you have a magical mix of comedy, mystery and non-stop sex.
