Discipline is a powerful word! For me it means I should stay within the boundaries I set for myself, my wife sets for me, or the man or woman who happens to be in control of my life at the time. Discipline means staying within those boundaries but, straying outside the boundaries as I surely will means that I will suffer. I will suffer the consequences for my lack of discipline. For me, discipline can take many forms; tickling; teasing and organs control; or in my episode with Timely Tony, it meant a rosy burning bottom.
