This book reveals the life changing mysteries of God. To understand the patterns of God and how they echo the types and shadows of Christ is truly amazing! These patterns are powerful and with enough revelation to keep you studying for years to come. As Bishop Stone reveals God's patterns, we are given a glimpse of heaven on earth as a present reality. Bishop Stone challenges every reader, and anyone in ministry, to come and build on earth what is in heaven; not what is on earth and hope heaven agrees! As Bishop Stone reveals the purpose for the patterns of God, the reader is struck with astounding revelation and knowledge. You'll come away from reading this book with a fresh understanding of the Old and New Testaments. This book is a journey into the understanding of Scriptures that will open your heart and help you serve God with joy unspakable and full of glory!
