Too many marriages end when someone says "I've fallen out of love with you" or "I don't love you anymore." The Love Dare discusses how these statements reveal a lack of understanding about the fundamental nature of true love. As featured in the popular new movie Fireproof, from the team that brought us the #1 best selling DVD Facing the Giants, The Love Dare is a 40-day guided devotional experience that will lead your heart back to truly loving your spouse while learning more about the design, nature, and source of true love. Each reading includes Scripture, a statement of principle, the day's "dare," and a journaling area and check box to chart progress. Dare to take The Love Dare , and see your marriage change forever.
