In 1978 the world awoke to news of Pope John Paul I's sudden death. The Vatican's official statement leaves no room for speculation ???a fatal heart attack. London, 2006, reporter Sara Monteiro returns from a vacation to find an envelope containing puzzling documents: a list of names and a coded message. From this point on, she will become immersed in a whirlwind weave of intrigue and danger. Her search leads to the truth behind the Pope's brief pontificate, the beneficiary of his sudden demise.

书评

1978年9月29日清晨5时30分，登基刚刚33天的教皇保罗一世被发现突然驾崩，但教廷并未就其死因发布正式公告，而从梵蒂冈传出的非正式消息是教皇死于心肌梗塞。教廷暧昧的态度,使得教皇的死因扑朔迷离。“阴谋论”被广泛接受，疑难程度几可与肯尼迪遇刺案相提并论。多年来，诸多...
