Erin Bright is pretty, polished, and popular--the perfect First Daughter. Her father is the mayor of their town, so photo shoots and Inauguration balls are a part of her life. In high school, Erin is politically involved as well; her handsome boyfriend has been student council president for the past two years. But THIS election season, things change. When Erin suddenly gets passionate about an environmental cause, she decides to run AGAINST her boyfriend...and to challenge what her dad stands for! Can Erin convince her friends, and herself, that she has what it takes to lead?
