"I'm in the Christmas play tonight! See my halo, sparkly and bright?" This little angel narrates the Christmas story, during a charming pageant: children dressed as shepherds with their toy sheep, three wise kings and a hilariously home-made donkey all make their way across the stage, guided by a sparkly star, to visit the baby in the manger. This delightful story is presented in a festive format that makes an ideal Christmas gift for toddlers and pre-schoolers. With colourful foil highlights on each puzzle, the simple, sturdy, four-piece jigsaws are just the right size for little hands. All the magic of Christmas, in a beautifully illustrated, interactive book!
