Spider-Man is back -- the web-slinging hero returns with a new enemy to face and a brand new range of film tie-in books! Young readers will thoroughly enjoy this fast-paced film tie-in tale. With 32 action packed pages this beginner reader follows Spider-Man as he tries to tackle the evil "Dr. Ock", while remaining a normal college student. Peter Parker is back and trying to cope with his junior year of college while being a web-slinging hero. College paper reporter by day and web-slinging hero by night, Peter is always there to save those who need his help.
