Noddy on the Move Noddy decides to move house. He hooks up his little house-for-One to his car and he and Master Tubby Bear set out to find the perfect place to live. But it's not easy. When Noddy tries living next door to Tessie Bear, he has to share with her chickens. Next to Mr Sparks garage there is no room for anyone when

the tow truck comes out. And in Town Square, there are too many Bouncy Balls. In the end, it's Big-Ears who comes up with the perfect solution! Noddy the Rainbow Chaser Everyone in Toyland is very happy. The magic rainbow has appeared again. Noddy is especially excited because he knows that at the foot of the rainbow is a pot of gold. With Master Tubby Bear he sets off to find it – and the pair are soon involved in a scary adventure in Dark Wood.
