Sir Ranulph Fiennes is uniquely qualified to write a new biography of Captain Scott. This is the first biography of Scott by someone who has experienced the deprivations, the stress and the sheer physical pain that Scott lived through; he has suffered all but the final tragedy endured by the much maligned Scott. He is determined to put the record straight. As well as being the definitive biography of Scott, written with the full and exclusive cooperation of the Scott Estate, this book traces the way that Scott's reputation has been attacked and his achievements distorted.

据说Huntford那本特别偏激，这本是那本的平衡剂。不管哪个版本，看到结尾总是特别沉重。all for what?

Nothing better than reading the current greatest explorer talking about the past greatest explorer.
