装帧:平装

isbn:9787544608961

《简·奥斯丁》讲述了：Jane Austen is one of the best-known and best-loved authors in the Englishspeaking world. Her works are enduringly popular, always in print, and are frequently adapted for stage, screen and television. Yet the writer herself is often felt to be something of an enigma, her thoughts and feelings relayed to us only through her surviving letters and in the accounts and memoirs of her family members.

In this lively illustrated biography, Deirdre Le Faye emphasises the importance of Jane's family connections in developing the milieu from which she drew the inspiration for her novels. Her brothers' experiences at sea, her cousin Eliza's marriage to a French count, later executed during the French Revolution, her aunt's trial on a trumped-up theft charge, all served to bring the wider world into Jane's drawing room.

The illustrations, drawn from The British Library's unparalleled collection of literary manuscripts and many other sources, attractively complement the text in conveying the people and places that Jane knew, and the social fabric of her world.

作者介绍:

Deirdre Le Faye is an internationally respected expert on Jane Austen's life. She is author of Jane Austen: A Family Record (The British Library) and editor of The Collected Letters of Jane Austen (Oxford University Press).

## 书评

这本书是大英图书馆推出的英国作家生平系列普及读物之一，本书的作者是一位奥斯丁研究专家，编辑有最新版的奥斯丁书信集。全书篇幅不长，也就100页左右，但是有大量彩色插图，且书后附有奥斯丁生平表。如果对书中那繁多的亲友姓名和英国南方地名不知所措的话，倒是可以先...
