Willa Havisham is a firm believer in Cupid and the goosebumps and heart-thumps of

his lightning bolts from the blue! But now two of her biggest loves have got her in a swizzle. First Willa learns that her beloved Bramble library is about to be shut down, and then it looks like JFK, Willa's heart's desire, has fallen for someone else. Maybe Cupid isn't as dependable as Willa first thought..."A fun, frothy confection that made me laugh out loud" - Meg Cabot, author of "The Princess Diaries".
