The Resplendent Isle, Serendib, Ceylon Whatever you call it, Sri Lanka is on its way to being the new Bali, with luxury villas, shops and services erupting all over the South. So, why not slip into something floaty, and let LUXE lead you astray Want to find only the chicest hotels and finest villas the island has to offer? Want to balloon over the ravishing countryside, go leopard spotting or whitewater rafting? Want to swank around town or go off for a romantic picnic in a stunning old vintage car? Want to find the finest gems and customise or design your own jewellery? Want to find unique and beautiful homeware, décor and design? Want to discover a stash of lovely old Jaffna doors and original Dutch colonial antiques? Well, now you can.
