A bestseller throughout the Arab world, a tribute to sex, eroticism, language and liberty, "The Proof of the Honey" is a superb celebration of female pleasure. A Syrian scholar working in Paris is invited to contribute to a conference on the subject of classic erotic literature in Arabic. The invitation provides occasion for her to evoke memories from her own life, to exult in her personal liberty, her lovers, her desires, and to revisit moments of shared intimacy with other women as they discuss life, love, and sexual desire. Far more than an erotic novel, "The Proof of the Honey" is a surprising and illuminating voyage into the history of Arabic literature. Borrowing inspiration from "The Thousand and One Nights," erudite asides are woven into the fabric of the protagonist's story and the stories of her lovers. Affirming that "Arabic is the language of sex," and making desire the source of her own personal liberty, Al Neimi has written a stirring novel about the place afforded sex in modern Arabic society and its relationship to the long, rich tradition of Arabic erotica.
