著者:Emily Mann

出版者:Applause Books

出版时间:2002-05-01

装帧:Paperback

isbn:9781557834904

Warning: The plays of Political Stages do not make for a quiet evening of theatre. These are the plays which got audiences out of their seats, and sometimes out into the streets. Their words and ideas rumbled ominously down the marble hallways of legislatures and challenged, even threatened, and often changed, the thinking of millions. These are the plays which either lit or reflected the fires of those political controversies which blazed across the American Twentieth Century. Individually, each is a molotov cocktail tossed onto the stage, each a political movement encapsulated in dramatic form. Combined, they constitute both a conflagration and a record of American political and theatrical ideology. Never before, however, have they been collected in one explosive volume. In Political Stages, they have at last been preserved, ever ready to serve at the barricades of subsequent eras. Includes works by Tennessee Williams, Emily Mann, Clifford Odets, Langston Hughes, and others.
